

KIDS FUTSAL CLINIC

JUNE SCHOOL HOLIDAY PROGRAM

MONDAY, 19 JUNE 2023 & TUESDAY, 20 JUNE 2023
8.30AM TO 10.30AM
MULTI-PURPOSE COURT

Introducing a two-day futsal clinic, specifically crafted for children aged 4 to 12 years. This interactive program spans four hours, ensuring an engaging experience for young boys and girls alike.

Taught by a Head coach with the highest football qualification and coaches with A Licence, this clinic will help to give kids a head start and cover all necessary fundamentals of playing futsal.

Most professional players learnt futsal skills at early age!

- Improves players decision-making skills
- Provides players with more touches on the ball
- Increases the ball control and playing the sport
- Develops the confidence in players to go 1-to-1 against their opponents
- Due to the quick pace and small area, players will improve their speed of play
- Passing both short and long distances, dribble around the cones, controlling the ball while under pressure, learning to stop and trap the ball and shooting at targets.

All kids will get involved and most importantly, enjoy themselves!
