From 12 July 2021, only groups of up to five persons are allowed to dine together.

Groups that exceed five people who are not from the same household will not be allowed to dine in together at our F&B outlets, even if they are split across multiple tables. Patrons from the same household can eat at multiple tables.

We would like to take this opportunity to remind all diners and patrons that masks must remain on and are only to be removed while eating or drinking.

Thank you for your co-operation.
