

ENHANCED SECURITY MEASURES

Dear Members,

In our ongoing efforts to prioritize your safety and protect our club premises, we are implementing enhanced security measures. Random membership checks will be conducted to ensure the utmost security.

We kindly request your cooperation by presenting your membership card during these random checks. We understand the importance of your privacy and assure you that our staff is only performing their duties to safeguard the club and prevent unauthorized access. Please do not take offense; your understanding is crucial in maintaining a secure environment.

Additionally, guests must be signed in by a member at the reception. We appreciate your continued cooperation with our staff to ensure a safe and enjoyable experience for all.

Thank you for your understanding and support.
