

DINERS & PATRONS IN GROUPS

In view of a joint advisory issued by Government authorities on 30 July 2020, we apologise that we will not be able to seat any members arriving in groups of more than 5 pax.

As per the guidelines, each group must be limited to 5 or fewer persons. Gatherings or groups involving more than 5 persons in total are not allowed, even if they are split across multiple tables. No mixing or intermingling is allowed between groups.

Also following the guidelines, exceptions can only be made if all members of the group are from the same household. These groups can be allowed into Poolside Cafe and Esplanade Kitchen. However, they will need to be seated at multiple tables, with no more than 5 persons per table. Our staff can request to verify diners' claims that they are from the same household, and can reject entry of diners and patrons at their discretion.

Thank you for your co-operation.
