

## **TRANSFORMATION COMMUNICATIONS CLARIFICATION**

16 Aug 2024

Following the Transformation Communications update on 15 August 2024, Singapore Recreation Club (SRC) has received feedback regarding the transformation of the new Chinese Restaurant.

To clarify, the current Lè Mansion will continue to serve as usual, while the new Lè Mansion will provide additional space for enhanced accommodation.

After the Circuit Lounge @ Padang event in September 2024, operations from the current Barker Lounge on Level 2 will be temporarily relocated to Oasis @ Padang on Level 1.

The current Barker Lounge will then be transformed into the new Chinese Restaurant, which will feature the new Lè Mansion. This transformation is targeted to be completed in time for Lunar New Year 2025.

SRC remains committed to providing clear and transparent updates and appreciates the ongoing support of its members during this exciting phase of development.

Sincerely,  
Management of the Singapore Recreation Club
