Transformation Communications Updates

We are pleased to provide the latest updates concerning the Singapore Recreation Club's ongoing transformation:

1. Passenger Lift Upgrades

The upgrade of Passenger Lift No. 2 is ahead of schedule and will re-open on 1 September 2024. A temporary lift call button will be installed for your convenience. Passenger Lift No. 1 is scheduled to cease operation for upgrading works after the Circuit Lounge @ Padang event (expected to be completed by early December 2024).

2. Oasis @ Padang Phase 2 Progress

The Oasis @ Padang phase 2 transformation remains on track for completion by mid-September 2024, following which it will serve as the Club's Bar in place of Barker Lounge until the new Club Bar is completed in Q3/Q4 2025.

3. New Chinese Restaurant Transformation (Lè Mansion)

The transformation of the Barker Lounge into the new premises of our Chinese Restaurant, Lè Mansion, is scheduled to begin in Q4 2024, with an anticipated opening on Lunar New Year's Eve 2025. During this time, Lè Mansion will remain fully operational at its current premises.

Sincerely,
Management of the Singapore Recreation Club
