

E-HEALTH DECLARATION FORM

For your convenience, we now have an e-health declaration form available. The form is strictly for contact tracing purposes. It can be found on our website or by scanning the QR code displayed below.

You can fill in the form and submit it before your visit to the Club on the same day, and present a screenshot of the completed form, which bears a ✓, to our staff members on duty.

The screenshot shows a mobile application interface for a health declaration. At the top, there is a hamburger menu icon and a small circular logo. Below this is a dark grey header with the text "HEALTH DECLARATION" in white. The main content area is white and features a large green checkmark icon. Below the icon, the text reads "DECLARATION FORM HAS BEEN SUBMITTED SUCESSFULLY". A yellow instruction line follows: "Please keep this browser tab open/screenshot and show this screen to our staff at our screening station." Below this, the user's name "Kelvin Chan" and the submission time "Wednesday, 18 Mar 2020, 04:17:51" are displayed. The sequence number "00000013" is shown at the bottom left. The footer contains the copyright notice "© SINGAPORE RECREATION CLUB. WEBSITE DESIGNED BY ELVES LAB." and navigation links for "CONTACT US" and "SITEMAP".
