

CLARIFICATION ON CNY 2026 PICKLE MASTERS EVENT

It has come to our attention that a recent social media post by our pickleball partner, Franklin Pickleball, may have caused some confusion regarding the CNY 2026 Pickle Masters event.

We would like to clarify that this event is not organised by SRC nor Franklin Pickleball. The CNY 2026 Pickle Masters is fully organised by a third-party event organiser. While the venue for the event is hosted at SRC @ Ayer Rajah, SRC is not involved in the planning, management, or registration of this event.

As SRC is the venue host rather than the organizer, all registration is handled externally. For more information, please contact Nate at 9785 6192.
