

GENTLE REMINDER: CLUB DRESS CODE & POOL GUIDELINES

We would like to gently remind all members to refer to the Club's Bye-laws whenever in doubt about the appropriate dress code.

For easy reference:

- Clause 4.0 – General dress code requirements
- Clauses 10.0 to 16.0 – Dress code requirements at the respective F&B outlets

Please note that slippers and flip-flops are strictly not allowed on Level 1, 2 and 3 of the Club.

We would also like to remind members that children are not permitted to use the hot and cold pools at Basement 1.

We seek everyone's kind cooperation in observing these guidelines and helping to maintain a comfortable and welcoming environment for all members and guests.
