

PARTIAL GYM CLOSURE FOR RENOVATION WORKS

Dear Members,

Please be informed that the gym will be partially closed from 12 January 2026 to facilitate renovation works within the gym premises.

During this period, all gym equipment will remain available, albeit in reduced capacity, to allow works to be carried out safely and progressively. Members may experience some inconvenience, and we seek your understanding as we work towards enhancing the gym facilities for a better workout experience.
